**Subject:** INSPECTION PORTS D1208

Andrew

This is a small note just to say a BIG THANK YOU to you and your staff for a job well done.

Nick & Josh were both very conscientious workers and knew what was required of them. Their knowledge of the task along with the special precautions to be taken and safety aspects was high.

The task was completed without incident.

Well done to both of them and I would certainly employ them again if the occasion arises.

Regards

John
